Brand

— KEY ASPECTS —

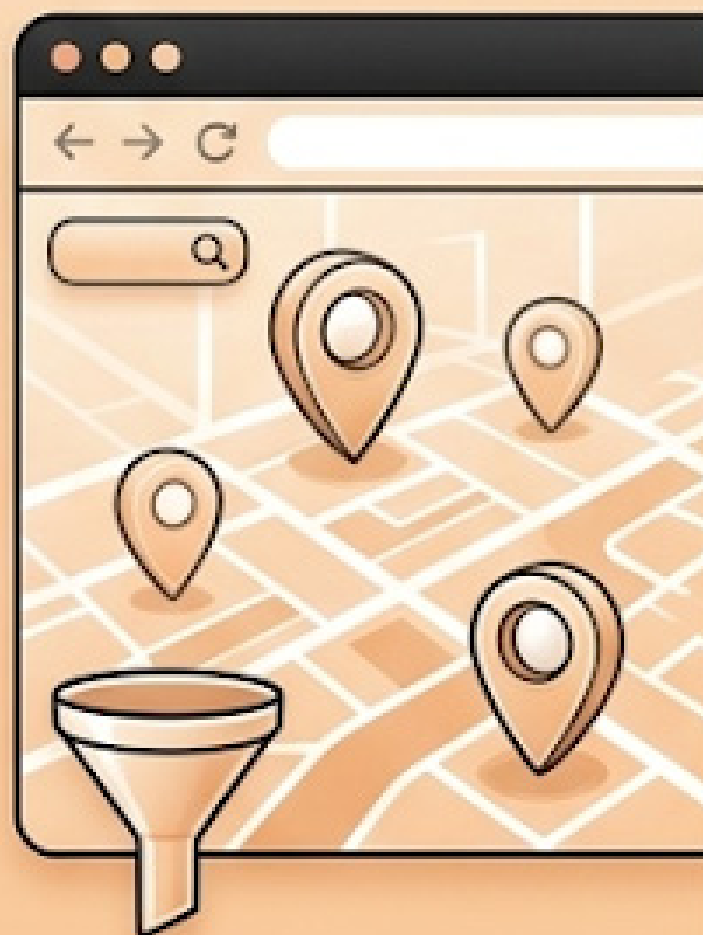

Digital Promotions

Increase your online visibility through promotional content across digital platforms, including:

Local Business Discovery

Customers can discover businesses based on location, category, and services, helping local businesses reach the right audience.

Digital Branding

Build a stronger online presence with customized promotional content that highlights what makes your business different.

Integrated and refined branding assets:

LISTING BUSINESS

All you need to do is

LIST YOUR BUSINESS

Business name &
location

Services and products

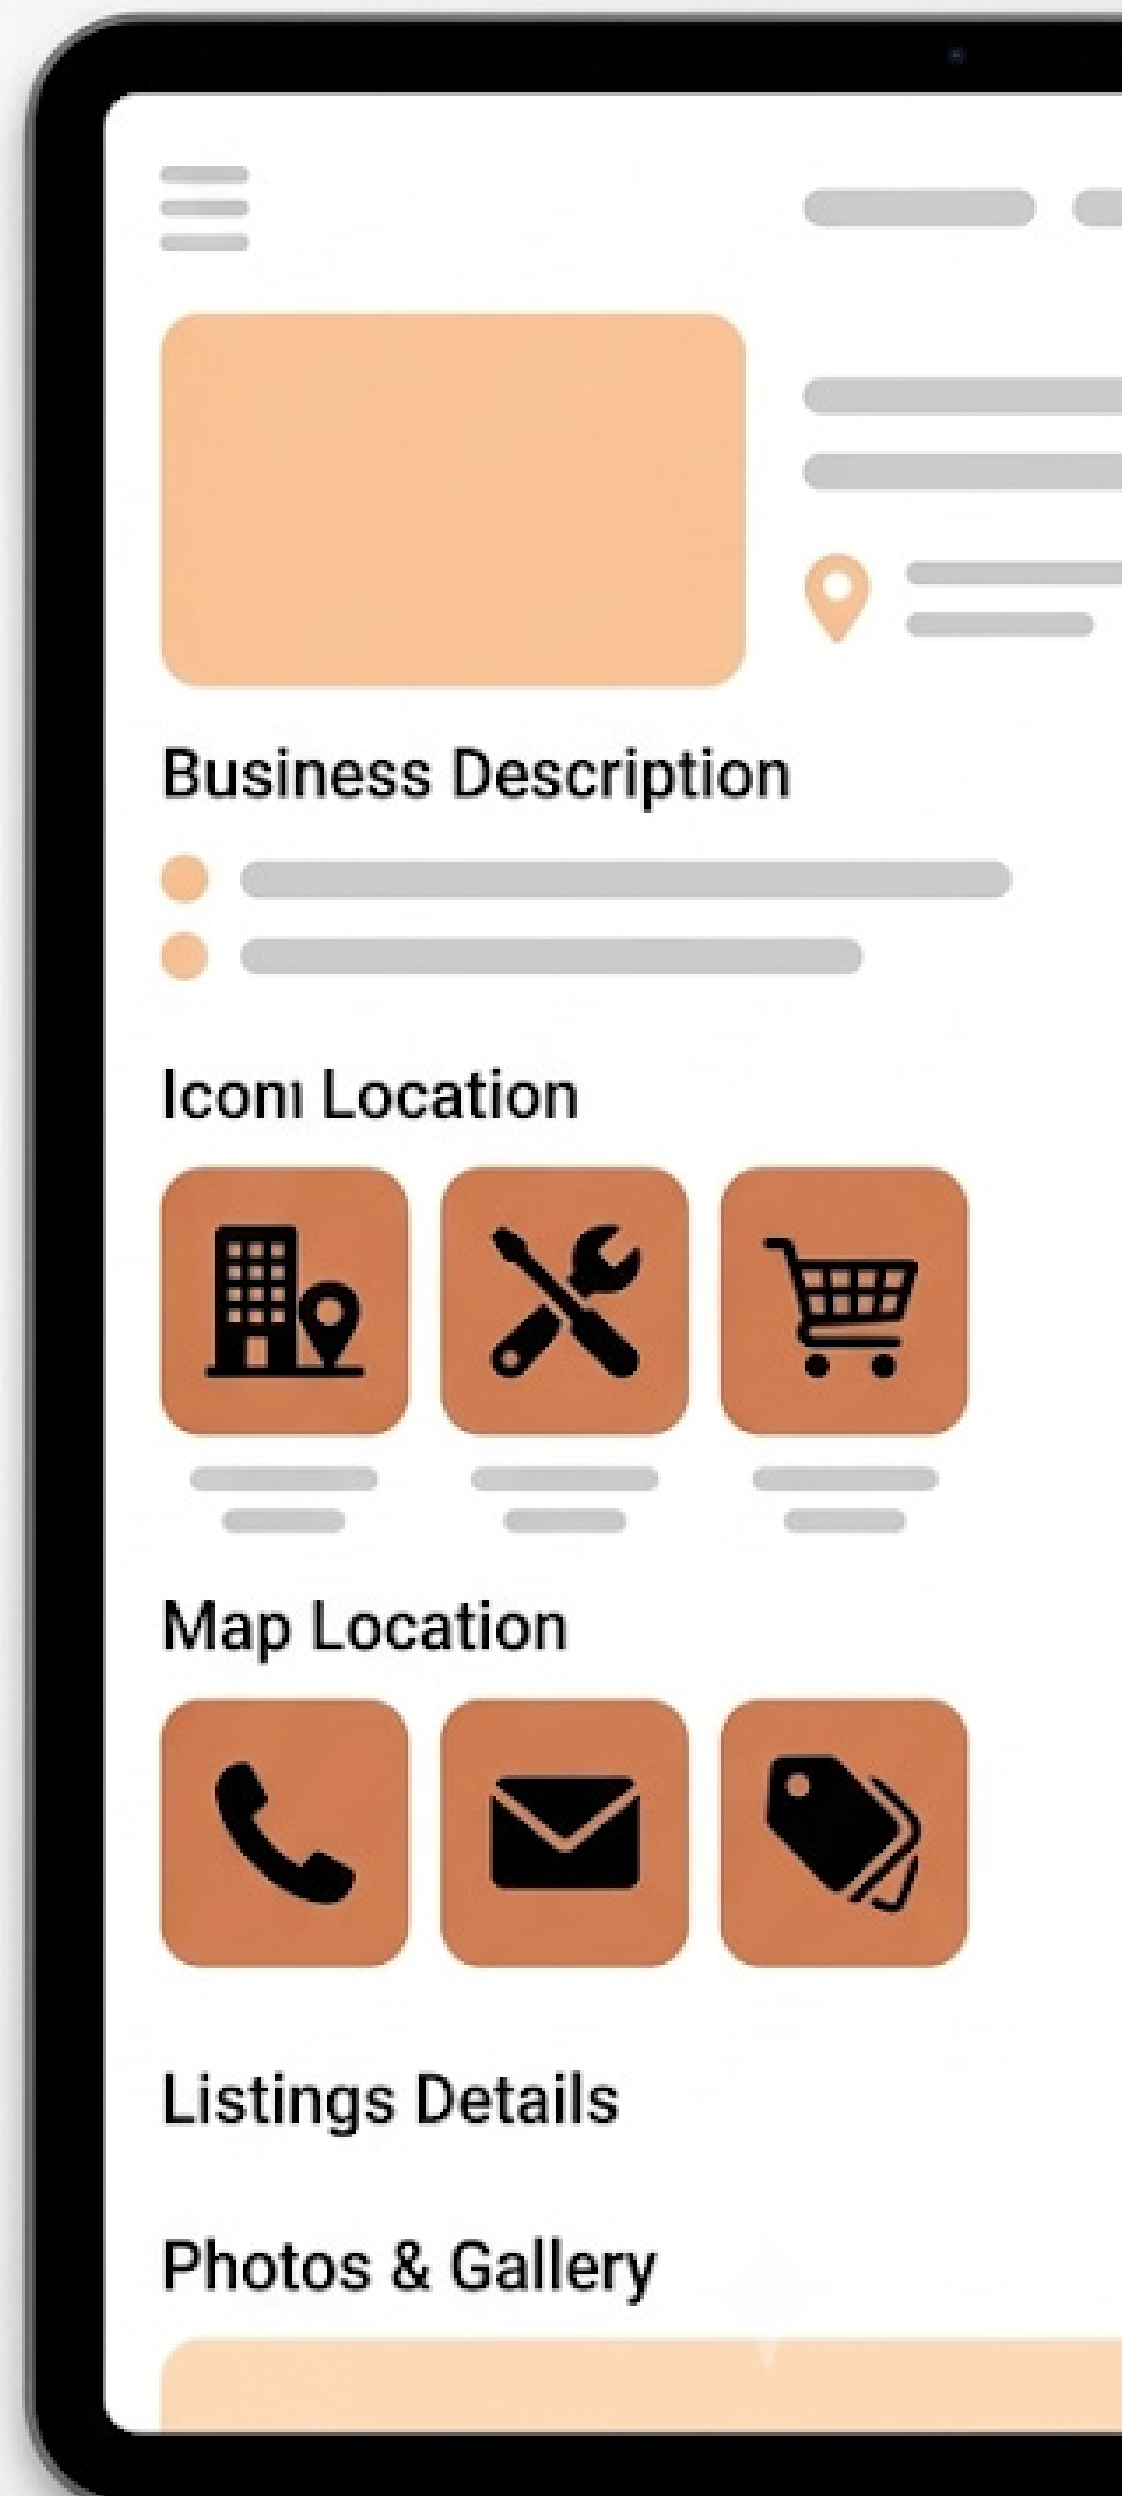

Contact details

Photos

Offers and highlights

our vision

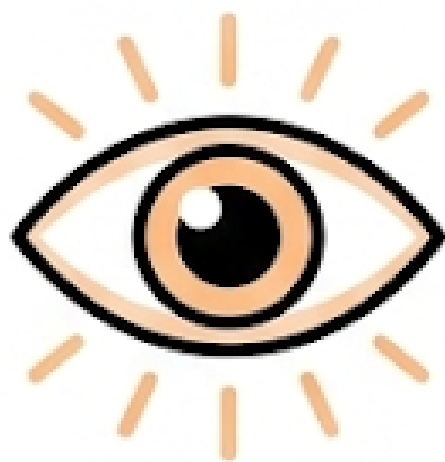

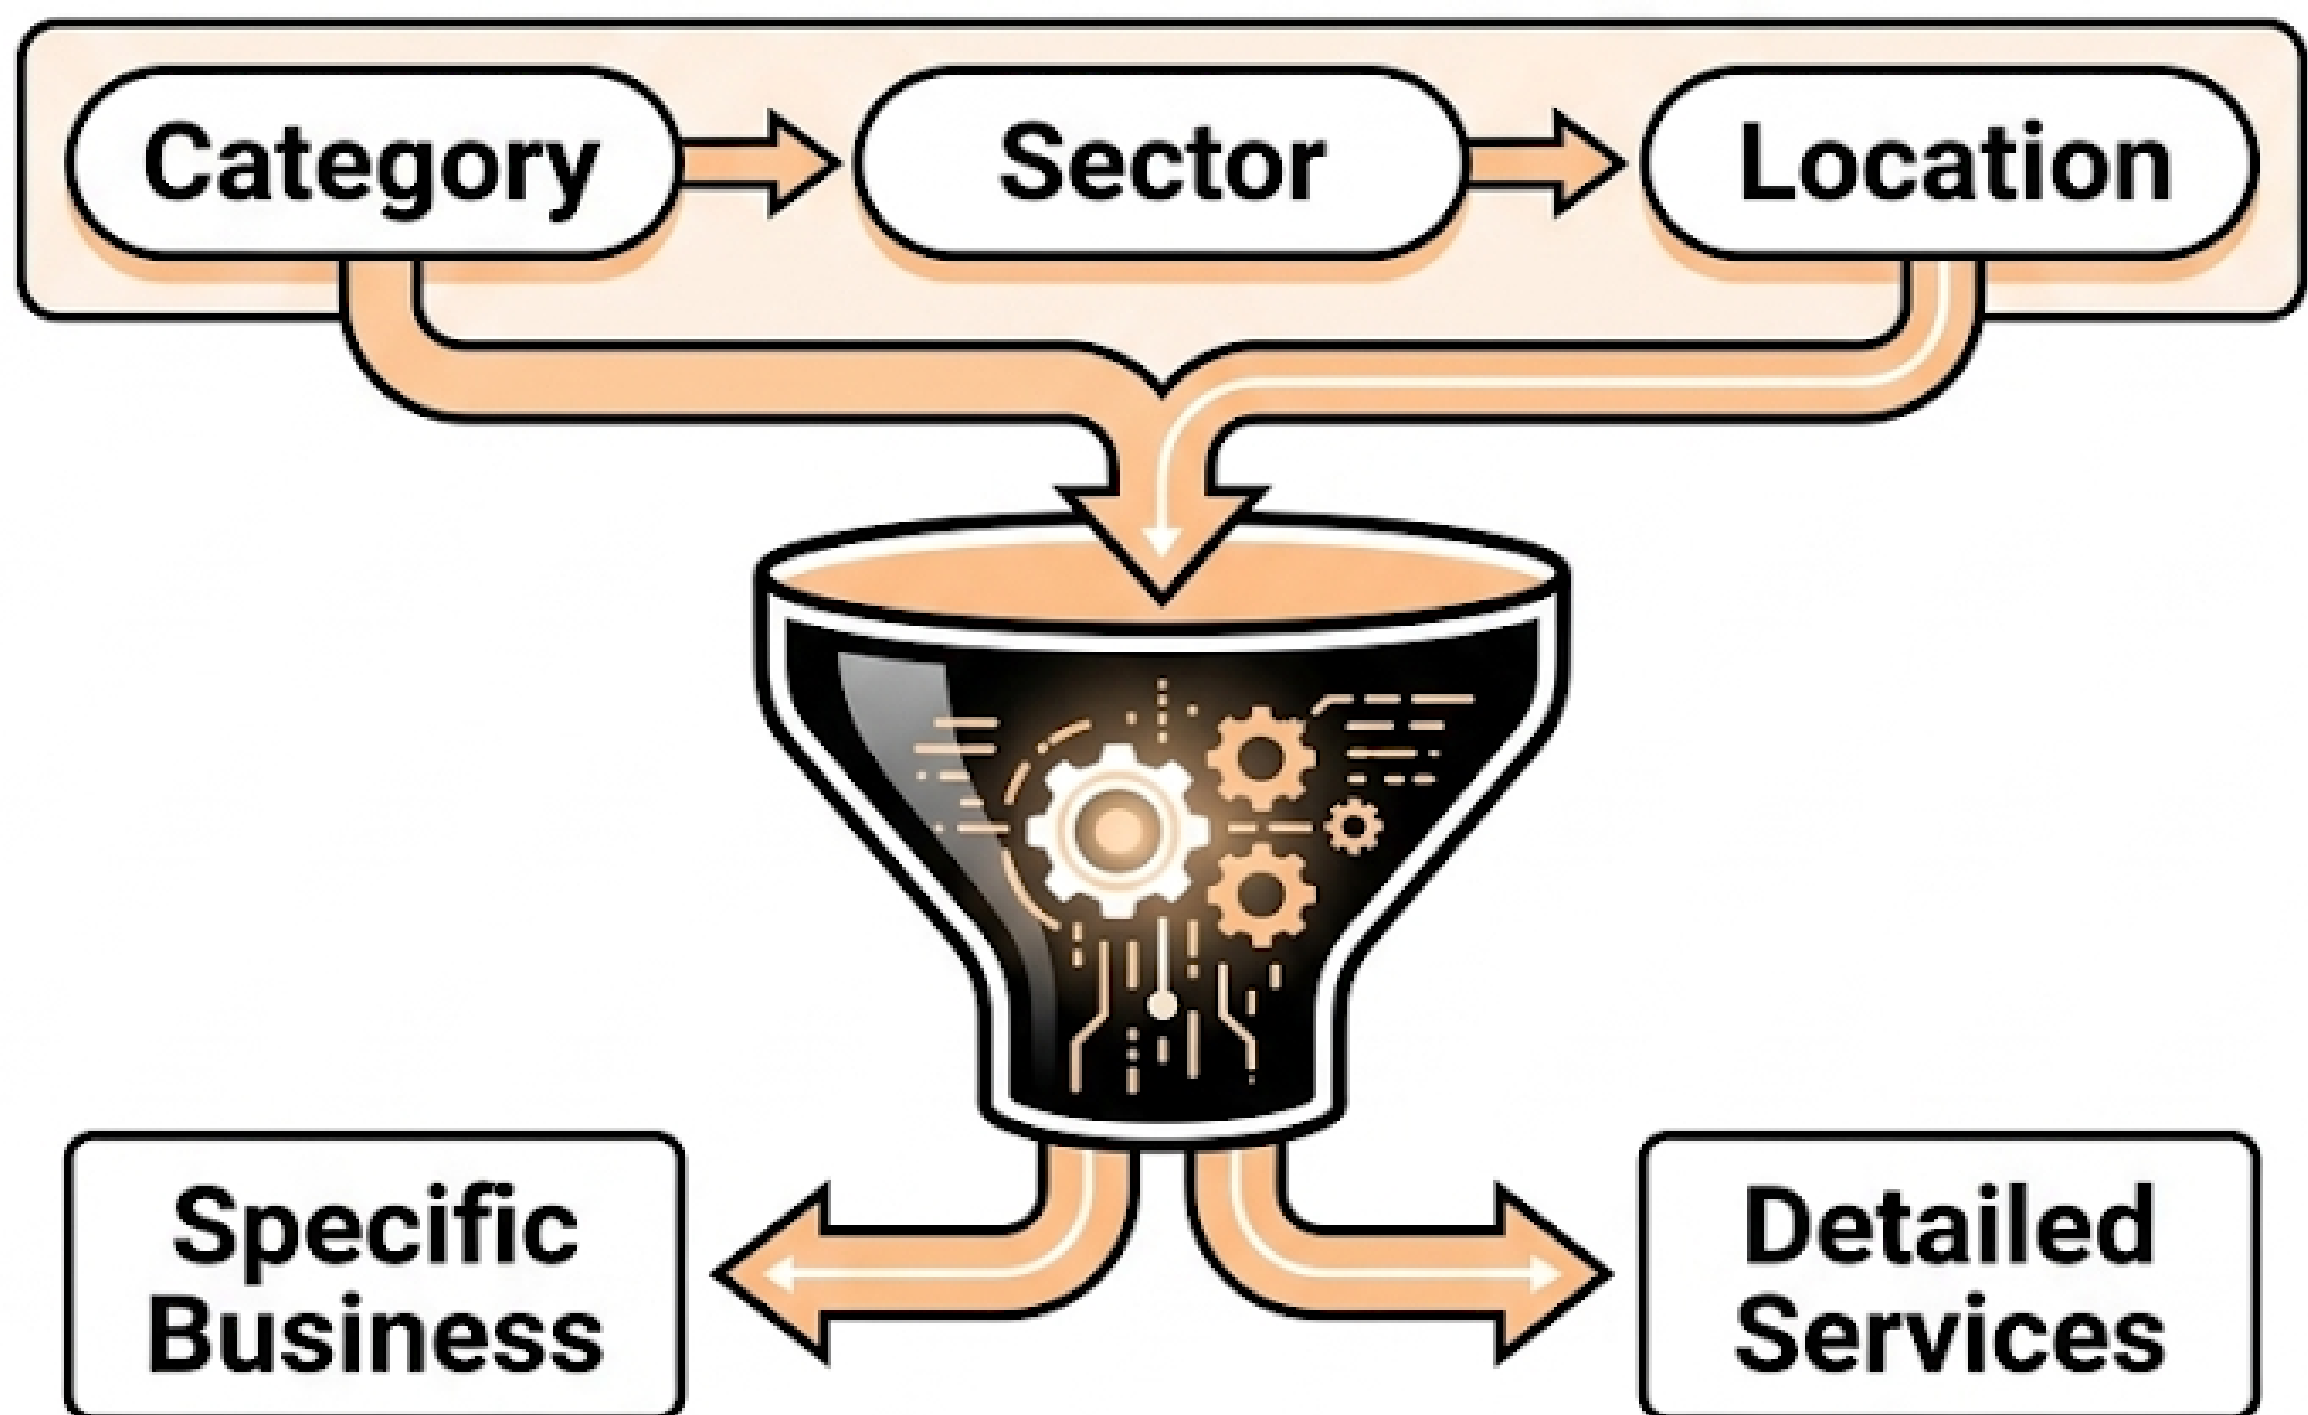

To build a trusted digital marketplace where people can discover local products and services in one place. We want every business—big or small—to have an opportunity to be discovered.

— HOW WE PROCESS —

A Growing Business Community

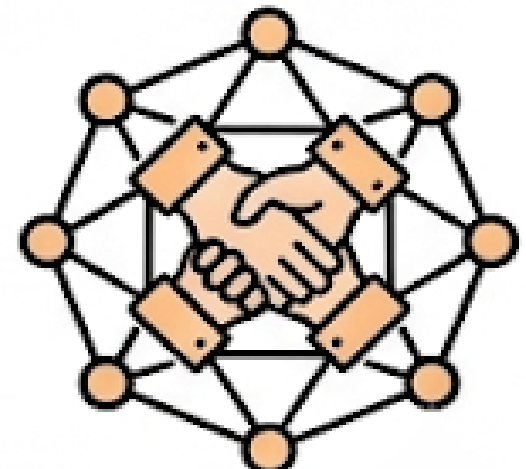

Imagine one platform where customers can explore businesses around them by:

Businesses
get visibility

Customers
get choices

Local communities
get connected

Don't Wait for Customers to Know Your Name. Give Them a Place to Discover Your Business.

- ✓ List Your Business
- ✓ Get Discovered
- ✓ Get Promoted
- ✓ Grow
